GENERAL ACPAAA MEETING MINUTES January 8, 2015

Alumni,

First off, I would like to thank everyone for your continued contributions to our **APD** and **ACPAAA**. This is what we are here for you and guys continue to come through for anything that has been requested of you. The Police Department depends on our group for a lot of things and it is reassuring to know we can respond with confidence that whatever they ask of us will be taken care of.

Being a volunteer is very rewarding in that we get that wonderful feeling of giving and sharing when tasks have been completed. There is no reward greater than knowing we have given back to our great city, community and neighborhoods. We know our city and **APD** cannot do it all alone, it takes volunteers to help make Arlington a safer place to live and work. I am a firm believer that each citizen should share in making Arlington the best city in Texas.

A volunteer is one who offers himself or herself for services by choice without request or obligation. Volunteering is donating time and energies without expectations of receiving any monetary gain. This paragraph describes who we are and what we stand for as we go forward into 2015 volunteering for the good of our **Arlington Police Department**.

Thank you for all that you do and we are looking forward to a great year.....

Police Dog Killed in the Line of Duty

It is with great sadness we report the death of Wise County Sheriffs K-9 'Pepper' who was shot and killed in the line of duty this afternoon.

As we first posted... just after 2:00pm, a subject lead law enforcement on a police chase in Montague County to where the pursuit ended near Aujla Rd and Picket Run Rd (around the Montague/Wise county line). The suspect bailed on foot. Wise County Sheriffs and K-9 were called in to assist in the search. While searching, Pepper was shot and killed, allegedly by the subject who ran from police. The subject was also shot and killed

Rest easy, Pepper.
End of Watch: January 28, 2015

A Police Dog's Oath:

"I will lay down my life for you and expect nothing but love in return. I protect my officer with my life, and would gladly take a bullet in his place. I am sent in to find lost children and fugitives on the run. I find drugs and weapons and even bombs. I am the first sent in and sometimes the last to leave. I am the nose and ears of my officer. I will protect and serve him. I would die for him and for you. I only ask for compassion and a kind word."
