Program

Ray Venegas will discuss the US Marshall Service role and responsibilities, how the Marshall Service supports and interacts with other law enforcement organizations and your thoughts on how APD Citizen's Police Academy Alumni members can help your organization?

Ray graduated from Sam Houston State University in 2011 with a Bachelor of Arts in Spanish and Criminal Justice. Ray has been with the United States Marshals Service (USMS) since 2011. He was first an intern in the Houston, TX office. He transitioned into the Deputy United States Marshal (DUSM) position in 2011, with Lubbock, TX being his first duty station. He has been in the Dallas, TX

office since 2014. In Ray's career as a DUSM, he has arrested numerous fugitives in North Texas. Ray's additional duties as a DUSM include Judicial Security Inspector, Jail Inspector, AED/CPR Instructor and Intern Program Coordinator. Ray recently obtained his Emergency Medical Technician (EMT) certification to be better suited to assist other DUSMs and the USMS as a whole; he hopes to join the USMS Tactical Medic Program.
