Phil Kabakoff- President

- Speaks about us buying water for the stations 2 no more than \$500 per year
- Hollie W. Secretary tells him that was not the original motion from the BOD meeting
- The original motion by Hollie W. was to purchase water for each station not to exceed \$50.00 per month per station, that does not roll over from month to month.

Hollie Walters makes the motion

Kathi Mulkerin seconds the motion

Discussion-

- Does not roll over from month to month
- It is a total of \$200 a month if every station has a need for the whole \$50.00
- There is a need more water in warmer months than cooler months
- We are trying to spend money and every station will benefit
- Water is available for the officers in the stations not community out front
- Water is kept usually in the back by the doors and usually someone ices it down in coolers for the officers
